WHO WE ARE

BHH Demolition & Removal Services is a veteran-owned demolition contractor serving general contractors, developers, and property owners across Georgia and the Southeast. Founded in 2019 and led by U.S. Army veteran Grady Brain, BHH self-performs selective interior, structural, and site demolition with a crew that scales to 25. We bid clean, define scope precisely, and hit the schedule — so the trades behind us start on time.

SELF-PERFORMED SCOPE

- Selective interior demolition & tenant fit-out
- Structural & full-building demolition
- Flooring, ceiling grid, partitions, millwork
- Concrete demolition, saw cutting, bust-out
- Site clearing, grubbing & forestry mulching
- Excavation, backfill, grading & final grade
- Debris haul-off & site cleanup
- Erosion control & site stabilization

WHY GCS USE BHH

- Written scope with exclusions stated up front
- Fast turnaround on budget and hard-bid pricing
- Self-performed — no layered subs on our scope
- Night and weekend work available
- Occupied-building and phased work experience
- Clean handoff — broom-swept, ready for next trade
- Direct owner access; one point of contact
- BuildingConnected & ITB-ready
