

**COMBUSTION &
CONTROL
SOLUTIONS**

When it comes to parts for your boiler room...

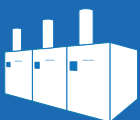

Expect the Best!

We have invested in your success. At CCS we maintain a large inventory of boiler parts and critical components to help you keep your system running. From combustion controllers to level controls to boiler trim and instrumentation, we will provide

quick shipment of parts to minimize downtime and lost production. CCS partners with top manufacturers to give you the highest quality and reliability off the shelf. Call us for all your boiler and steam system needs.

For 24/7 Service Call (423) 855-2055

Equipment Sales

CCS supplies and services the most energy-efficient and sustainable equipment available.

Combustion Services

Keeping your burners running more efficiently will save you money in downtime and fuel costs.

Mechanical Services

Full mechanical services include equipment & piping installation, ASME code inspections and repairs.

Combustion & Control Solutions • 4016 Industry Drive Chattanooga, TN 37416 • www.ccsboiler.com

We Stock Boiler Room Parts & Stam Specialties From Leading Manufacturers

	Part Category	Type	Manufacturers	
	Actuators	Gas Flow	Seimens, Honeywell	
	Controllers	Chemical	LMI Pumps	
	Controllers	Flame Safeguard	Seimens, Honeywell, Fireye	
	Controllers	Flow, Level	McDonnell & Miller, Clark Reliance	
	Controllers	Pressure	Spence, Watson McDaniel	
	Controllers	Temperature	Warrick-Gem, Wika	
	Gauges	Level	Wika, Clark-Reliance	
	Gauges	Pressure	Ashcroft, Wika	
	Gauges	Temperature	Ashcroft, Wika	
	Pumps	Boiler Feed	Grundfos, Burks	
	Pumps	Chemical Feed	LMI Pumps, Neptune, Viking Pump	
	Pumps	Condensate, Electric & Steam	Watson McDaniel, Spirax Sarco	
	RTD's	Temperature	Ashcroft, Siemens, Wika	
	Sensors	Conductivity	Warrick-Gem	
	Sensors	Flame	Siemens, Honeywell	
	Sensors	Flow	Warrick-Gem	
	Sensors	Level	Warrick-Gem, Wika	
	Sensors	Pressure	Ashcroft, Siemens, Wika	
	Sensors	Temperature	Ashcroft, Siemens, Wika, Trerice	
	Steam Traps	All Types	Armstrong, Spirax Sarco, Watson McDaniel	
	Switches	Flow, Level, Pressure	Siemens, Honeywell, Warrick-Gem	
	Switches	Temperature Control	Siemens, Warrick-Gem, Wika	
	Thermocouples	Temperature Sensing	Ashcroft, Wika	
	Thermowells	Temperature	Ashcroft, Wika	
	Transmitters	Level, Pressure, Temperature	Ashcroft, Siemens, Wika	
	Valves	Blowdown	Everlasting, United Brass	
	Valves	Flow Control	Fisher, Trerice	
	Valves	Gas Shutoff	Seimens, Honeywell	
	Valves	Pressure Regulating	Armstrong, Spirax Sarco, Watson McDaniel	
	Valves	Safety Relief	Kunkle	
	Valves	Solenoid	ASCO	
	Valves	Temperature Control	Terice, Watson McDaniel
