**Directions to Venue: Head SW on Mercy Ct. towards Carhartt Ave., turn left onto Carhartt Ave., turn right on Main Street. Central Office will be on the right,**

## **Emergency Action Plan (EAP)— Lightning Policy**

**(From KHSAA Handbook)**

**The Referee or head official must **delay or cancel a competition at the first sound of lightning or thunder at the site and the site should be cleared of all persons immediately** by event administration. If it is anticipated that the storm will pass, the competition may be resumed following a three (3) minute warmup period, no sooner than thirty (30) minutes after the last sight of lightning or the last sound of thunder.**

**If the severe weather is of great length or intensity, the Referee or lead contest official has the responsibility and authority to cancel the competition. Officials are encouraged to learn the weather forecast prior to game time. Safety of the public and participants is the most important factor in any decision of this type (KHSAA Policies and Procedures).**

## Coach Signature Page

I acknowledge that I have read and understand the Emergency Action Plan (EAP) as specified for each venue. I am committed to reviewing and practicing the EAP annually with Estill County High School Athletic Trainer, Kirsten West; Administration; and Estill County EMS.
