SPORTS MEDICINE

To: Visiting Athletic Trainers/Teams

From: Nick Reuss – Director of Sports Medicine
Kyle Sutton – Assistant Athletic Trainer
Christa Hendley—Assistant Athletic Trainer
Ashley Higginbotham--Assistant Athletic Trainer

Re: Athletic Training Services

On Behalf of the Athletic Department, it is my pleasure to welcome you and your team to Transylvania University. We have two athletic training rooms on campus. The first athletic training room is located in the Beck Center at the corner of N. Broadway and Fourth St., on the Lower level adjacent to the Performance floor. This athletic training room is used primarily for Volleyball, Men's and Women's Basketball, Baseball, and Softball. The second athletic training room is located in the Transylvania Athletic Facility, 555 W 4th St. This athletic training room is primarily used for Men's and Women's Soccer, Field Hockey, Men's and Women's Lacrosse, and Men's and Women's Track & Field. The athletic training room will be open 2.5 hours before competition time and afterwards as necessary.

The Athletic Training Staff will provide the following services:

1. Water coolers, injury ice and ice bags.
2. Cups/water bottles on your sideline.
3. A Certified Athletic Trainer on-site. (Exceptions may occur with Tennis and Golf)
4. An on-call team physician.
5. Phone access to EMS.
6. An On-site AED
7. Therapeutic modalities

If a Certified Athletic Trainer is not traveling with your team, please send a written request authorizing the use of any therapeutic modalities, if possible an e-mail or call to us 24-hrs in advance to let us know of the taping needs of your team, would be helpful.

We ask that YOU supply the following items:

1. Towels for your bench and locker rooms.
2. Taping and medical supplies.

In the event of an emergency the host athletic trainer will assist with emergency equipment and with the facility/field emergency plan.

Important phone numbers:
