

Property Re-Inspection

Scope of Work

Scope:

This Scope of Work defines procedures and minimum requirements for a re- inspection (of a property originally inspected by Cingo or its agent) performed as part of real estate transaction. This Scope applies to parties seeking assistance in determining if remedial actions were completed as part of the closing transaction. All terms of the Agreement are binding on this scope of work.

Procedure:

For the fee set forth in the Agreement, Cingo ("Company") will conduct a visual examination Limited to those items listed in our previous report only, as outlined in either the "The Amendment to Address Concerns" or another written directive as specified by the client.

Client Responsibilities:

Client, upon receipt of the written report from Cingo, agrees to read and review the information contained therein.

To the extent there are any questions or confusion associated with the Testing, Client agrees to raise such questions and/or concerns with Inspector, in writing, in a prompt manner.
