ROSS BROUSE

Empowering organizations with
secure, resilient technology that
drives better outcomes.

Ross Brouse is the **President and Chief Security Officer** of Continuous Networks, a leading provider of **managed IT, cybersecurity, and compliance solutions for healthcare** and other highly regulated industries. With over 20 years of experience in technology and digital services, Ross is recognized as **a cyber resilience and compliance expert, best-selling author, and sought-after speaker.**

Under his leadership, Continuous Networks has helped hundreds of organizations simplify IT, strengthen security, and maximize technology investments.

The company manages **over 5,000 computers across 300+ businesses daily**, delivering solutions that keep practices running smoothly and compliant with HIPAA and other regulations. Ross's passion for cybersecurity was ignited after a major breach early in his career, which taught him the importance of proactive defense. Today, he partners with healthcare CIOs and CTOs to stop cyberattacks, reduce risk, and protect patient data.
