Family law is our expertise, it is all we do

We provide exceptional representation to husbands, wives, fathers and mothers for their divorce or parentage case

We do not represent those who think divorce is a "revenge" process or that children are leverage in a family law case

We interview you as much as you interview us

Having a case and ability to afford our services is not enough

Your integrity, honesty and courage to do the right thing even in the face of adversity are critical to our representation
