

# \$84,000+ Raised at YLP Golf Classic; Thank You to All Participants!

With record-setting contributions, construction industry leaders generously supported the 19th Annual Young Leadership Program's (YLP) Charity Golf Classic held on May 2 at Canongate 1 in Sharpsburg, Georgia.

The day's golf tournament had 288 golfers, requiring the event to be hosted at a 36-hole facility. YLP members proudly report they netted more than \$84,000 from this Classic, which is their biggest fundraiser each year. All funds will be placed in a designated fund inside the AGC of Georgia Foundation, Inc., a tax-exempt 501(c)(3) organization. These proceeds will support the YLP's mission of working with worthy charitable organizations and causes providing assistance to thousands of children and families in times of need.

With funds raised at the 2017 Golf Classic, some of YLP's charitable donations over the past year include:

- \$13,000 in holiday toys fulfilling the wish list of children in the care of Hillside
- \$6,000 to Wreaths Across America
- \$1,100 to support camp programs at Camp Twin Lakes
- \$10,000 CEFGA benefiting state winners in the SkillsUSA Competition as they compete at the national level
- \$2,500 to recreation therapy department at Shepherd Center
- \$2,000 to St. Jude Children's Research Hospital to support treatment, travel and housing for families

The success of this annual golf tournament is critical to maintaining the high level of community involvement and charitable giving YLP has grown accustomed to providing. Members of YLP and AGC Georgia staff are very appreciative of the generous support provided by Golf Classic sponsors. **Please join us in thanking the below firms for helping brighten the day of deserving people facing hard times.**

--- Winning teams are featured at the end of the document.
