Re: ***DIRECT DEPOSIT/DIRECT DEBIT INSTRUCTIONS FOR CREDIT UNION***

In an effort to help clarify the procedures for direct deposit into the Credit Union, we have listed the basic procedure for sending through direct deposits and/or direct debits.

- **HEFCU Routing and Transit Number is 231288811**:
  This number should be used for *ALL* direct deposits/debits being sent to the Credit Union. This routing and transit number can be located on the bottom left-hand corner of your checks.

- **Direct Deposit/Debit to Share Savings/Checking**:
  Use your account number along with the above routing and transit number. Indicate whether account is savings or checking.

  If you are unsure of your account number, please contact us.

Please pass this information on to the appropriate individual who handles direct deposit for your institution.

Should you have any questions, please feel free to contact our office at (609) 951-0700, option 2, and speak with a member service representative.

Sincerely,

Quanda Bessant
