

FINANCIAL WELLNESS

A QUARTERLY PUBLICATION FOR MEMBERS OF HEALTHCARE EMPLOYEES FEDERAL CREDIT UNION

Dear Valued Members,

HEFCU is proud to celebrate another successful year of growth and innovation! With the launch of our enhanced online and mobile banking platform, a new core system, expanded wealth management services, and several additional products and services, we're continuing our commitment to becoming a true one-stop credit union—one where every member can feel proud to belong.

Our members are at the heart of everything we do, and supporting you remains our top priority. That's why we're pleased to share that the \$10 low-balance fee on our primary savings account has been discontinued. We've also reduced several other fees, all part of our ongoing effort to ensure HEFCU is a place where **"Everyone Gets Better."**

Looking ahead, we're excited to share even more improvements. HEFCU is actively working to establish a dedicated call center to better serve our members. We're also preparing to introduce a new AI-powered chatbot on our website, offering quick, convenient support whenever you need it.

Together, these enhancements reflect our continued promise to deliver exceptional service, meaningful value, and a better banking experience for every member.

Thank you to all our members for your continued trust and support. Everything we accomplish is possible because of you. Your loyalty inspires us to keep improving, keep innovating, and keep finding new ways to deliver the exceptional service you deserve. We're grateful for the opportunity to be part of your financial journey, and we look forward to growing together in the year ahead.

Sincerely,

J. Jason Reed
Chief Executive Officer
