

Laila M. Sanousi

Professional Staff

Laila joined Krogh & Decker, LLP in December 2014. Drawing on her experience both in and outside of the legal field, Laila has enjoyed the opportunity to provide a wide range of support at K&D, from legal assistant to her current role as firm administrator. Laila has enjoyed the opportunity to work closely with the partners in developing and implementing the firm's standard practices and overseeing the day to day operations of the firm. Laila works hard to support the team at K&D as well as meeting the needs of our clients.

Laila chose to join the K&D team in large part because of the firm's values. Laila feels the values are circular and work best when each is balancing the other. Each value leads to, or connects to, the next and Laila believes each value is fundamental to offering the best service while attracting and retaining the best talent.

When Laila isn't in the office she can be found preparing and sharing food and drink with family and friends, running, hiking, or reading a really good book.
