

## **PART-TIME SHEET METAL SHOP HELPER – STUDENTS**

Mattco | College Station, TX | Part-Time | Flexible Hours

Looking for a part-time job that works around your class schedule? Mattco is a commercial and multifamily roofing contractor based in Bryan/College Station, and we're hiring students to work in our sheet metal fabrication shop. This is shop work only, with no roofs and no travel. You'll learn a real trade and get hands-on experience with industrial equipment.

### **What You'll Do**

- Help fabricate metal flashing, coping, gutters, downspouts, and trim
- Measure, cut, and bend metal using brakes, shears, and hand tools
- Read basic shop drawings and cut lists
- Stage, label, and package finished pieces for job sites
- Keep the shop clean and organized, and help track material inventory

### **What We're Looking For**

- No experience required, we'll train you
- Reliable, punctual, and good with details
- Comfortable with hands-on physical work and lifting up to 50 lbs
- Basic math and tape measure skills
- Engineering, construction science, or industrial distribution students a plus, but all majors welcome

### **What We Offer**

- Flexible scheduling built around your classes
- More hours available during breaks and summer
- Paid training on shop equipment and fabrication
- Real-world construction industry experience for your resume
- Opportunity for summer, full-time, or internship roles after graduation

### **How to Apply**

Apply at [mattcogroup.com/careers](http://mattcogroup.com/careers) or call 833.628.8261. Include your class schedule. No resume? A quick note about yourself and when you're available works.

*Mattco is an equal opportunity employer.*

*The above description covers the principal duties and responsibilities of the job. The description shall not, however, be construed as a complete listing of all or similar duties which may be required from day to day.*
