New Branch Update

Construction is moving along nicely on our new Cartersville branch, located off of Highway 113 on Walnut Grove Road. This branch will be the credit union's second location in Cartersville. The branch will feature increased amenities, an open design, Wi-Fi access and teller pods that remove barriers to improve member interactions with the branch staff.

These new features will better allow our carefully selected and trained staff to interact with our members. The branch is expected to open in late summer 2018.
