At Coosa Valley Credit Union, we have a proud tradition of serving our communities. We strive to be active, engaged partners with the towns and cities we touch through our education and community outreach initiatives. That's why we started a program called CVCU Cares. Through this volunteer program, CVCU employees are invited to participate in a variety of company-sponsored volunteer projects. Since its inception earlier this year, staff have served in Cedartown with Night to Shine, and in Rome at Network Day Center, the Community Kitchen and PAWS.

Coosa Valley Credit Union will once again be replacing torn or faded American flags in the communities the credit union serves. The project will run June 3 – July 4, 2019.

Be on the lookout for torn or faded American flags on display at businesses, Churches or community organizations in Floyd, Polk, Catoosa or Bartow Counties. When you see one, please contact us by e-mail at [Flag@mycvcu.org](mailto:Flag@mycvcu.org) or on Facebook and we will replace that flag (up to a 6 foot by 10 foot size) absolutely free. We will also dispose of the old flag properly in conjunction with a local Veterans group. Please try and give us as much information as possible about the business or organization including its location and a contact name if possible. Thank you!
