

Prince Service & Manufacturing Named One of America's Fastest-Growing Private Companies

Macon, GA – August 12, 2025 – Prince Service & Manufacturing has earned a spot on the 2025 **Inc. 5000** list, ranking No. 3,252 overall, No. 90 in manufacturing nationwide, and No. 154 in Georgia on the 2025 of the fastest-growing private companies in America. The annual list recognizes the most dynamic and successful independent businesses driving growth in the U.S. economy.

The honor comes alongside sister company Unified Defense, which placed No. 307 overall, No. 10 in manufacturing, and No. 10 in Georgia. Together, the companies are achieving rapid growth while delivering high-quality manufacturing solutions for customers nationwide.

"Making the Inc. 5000 list reflects the dedication of our entire team and the trust our customers place in us," said Eric Williams, CEO of both companies. "Prince has spent 50 years building a reputation for precision and reliability, and we continue to evolve to meet the most complex project needs."
