

How to Look up your Real Estate License

- Go to www.Michigan.gov/LARA
- Under Verify a License on top navigation bar select *occupational licenses*
- Scroll down and fill in the information
 - your name as it appears on your license or your 10-digit license number
 - license type
 - click search and you will see the expiration date.

Remember your expiration date is not automatically October 31 of every third year. You still need a total of 18 hours of continuing education by the renewal date. Of that 18, a minimum of 2 hours of legal approved continuing education must be completed in each of your individual license years. To determine each year you can count backwards in 12 month increments from your renewal date. For example:

If your renewal date is July 26, 2025. Your three years are

July 27, 2024- July 26, 2025

July 27, 2023- July 26, 2024

July 27, 2022- July 26, 2023

Your credits are still reported to CE marketplace and should appear there 2 weeks of after your class completion.

To access your list of completed classes go to www.cemarketplace.net, login and click on CE reporting on the top navigation bar.
