

TRF COVID-19 Policy Exemption Plan

An attempt to provide a safe alternative for those participants of TRF who cannot or choose not to take the COVID-19 vaccine, but still wish to participate in the 2021 festival.

- **Vaccinated Participants** - Issued a Purple Participants Pass
 - Operates as a typical TRF participants pass
 - Requires providing proof of vaccination when pass is issued
 - Unquestioned access to TRF
 - Participants Pass procedure the same as it has been in the past.
- **Unvaccinated Participants** – Issued an Orange Pass
 - This pass requires the following:
 - Completion of a Medical, Religious/Conscience Exemption form received by September 17, 2021 and approved by TRF management.
 - Pass holder agrees to be tested for COVID-19 every Wednesday prior to a performance weekend. (72 hours prior)
 - Proof of a negative COVID-19 test performed within the previous 72 hours must be presented along with the orange participants Pass, at the employee back gate before access is granted.
 - Positive Test will not be allowed access.
 - Those with no Test will not be allowed access.
 - Additional Staff/Security will be available to facilitate entrance through the back gate.
 - Children 12 and under will be required to have an orange pass and be tested weekly.

To allow for convenient COVID-19 testing, a testing clinic administering a PCR test will be available every Wednesday from October 6, 2021, through Wednesday November 24, 2021, on TRF property from 10:00 am to 7:00 pm. This test will be free of charge.

Onsite Testing and Vaccinations will also be available every Saturday and Sunday during the run of the festival.

It is encouraged that all TRF participants get tested on a regular basis.
