During this time, TRF and Earl Graybeard will visit your Clan camp throughout the season to evaluate your footprint and meet with the clan leader to establish a proper boundary so that it can be added to the Clan Map. After the vetting process if approved you shall fly your official Fields of New Market Clan Flag/Banner alongside your Clan Flag/Banner to signify you are a Registered Clan.

Every Clan will have to re-apply to be a Registered FONM Clan each season. (think of it like renewing your membership.) This process will enable clans the opportunity to make changes to their clan rosters. For example, a new leader, new members or a clan needs more or less space. However, TRF may determine less space may be indicated, and any adjustments to the Clan map that might be needed. TRF may decide to revoke or reduce your Clan status if the Clan Camping Standards are not followed.
