

2026 Texas Renaissance Festival New Vendor Application

The *Texas Renaissance Festival* is now accepting applications for new vendors for the 2026 season. As the largest Renaissance themed event in the United States, TRF welcomes nearly 500,000 guests each year. Our patrons are transported to the 16th century to enjoy immersive world class entertainment, artisan craftsmanship, and unique culinary experiences.

The 2026 festival season runs for eight consecutive weekends from **October 10 through November 29, including the Friday after Thanksgiving**. All vendors are required to participate for the full duration of the festival.

To be considered, please complete the vendor application and submit it along with a detailed proposal. Your proposal should be bound or placed in a binder and include:

- Photos and pricing for all products you intend to sell
- A brief biography about yourself and/or your business
- A list of fairs or festivals you have participated in or plan to attend this year
- Product samples, if possible (samples will not be returned)

Mail your complete submission to:

Texas Renaissance Festival,
Attn: Lori Wright
21778 FM 1774
Todd Mission, Texas 77363

A \$50.00 non-refundable application fee, payable to TRF, must accompany your proposal. Submissions without the fee cannot be accepted or returned.

All applicants will be notified by email regarding acceptance or denial. Only items approved by the TRF jury may be sold at the festival.

All shoppe structures, permanent or temporary, must reflect Renaissance-appropriate aesthetics and must be approved by the Vendor Director.

If accepted, you will receive an email containing TRF's rules and regulations, the participant handbook, building standards, your acceptance letter, a map showing your assigned location, and your contract. Please note that contracts become null and void if required fees are not paid within the designated timeframe.
