### **Texas Renaissance Festival's King and his Court to Volunteer at the Annual Bike MS on Saturday, April 30**

Todd Mission, TX (April 26, 2022) – Texas Renaissance Festival today announced that a Bike MS: Texas MS 150 Rest Stop will be taken over by The King and some of his subjects on Saturday, April 30.

"It's important that everyone shows support for each other, in and out of the Kingdom" says The King. "Hosting a rest stop for cyclers to stop by, refresh and hydrate, and continue on their noble journey is an easy way for the court to show their support to the MS community."

The King and approximately 30 members of the royal court will be at Four Season Park at 4702 Katy Hockley Cut Road in Katy, TX passing out water and snacks so that cyclists can safely continue through the Texas countryside to their ultimate destination in College Station.

#### **About Multiple Sclerosis**

Multiple sclerosis is an unpredictable disease of the central nervous system. Currently there is no cure. Symptoms vary from person to person and may include disabling fatigue, mobility challenges, cognitive changes, and vision issues. An estimated 1 million people live with MS in the United States. Early diagnosis and treatment are critical to minimize disability. Significant progress is being made to achieve a world free of MS.
