and let the holiday adventures begin!

With warm wishes,
Your Zerorez Las Vegas Team

Keep an eye out for Z!

Z

We've hidden a little Z in each story picture.
Can you find them all?

A little coloring. A little searching. A lot of holiday fun.

Company Is Coming!

The tree stood tall, the lights shone bright.
Our home was full of cheer that night.
With friends and family on their way,
We had a little time to play!

Color the room and find these five decorations:

A star | A bell | A candy cane | A stocking | A wreath

Can you find the hidden Z?

A Very Merry Visitor

We heard a knock, then "Ho, ho, ho!"
Who could it be? We had to know!
With rosy cheeks and snowy hair,
A smiling Santa stood right there!

Color Santa's visit.

What would you say if Santa knocked on your door?

Can you find the hidden Z?

A Cookie-Crumble Surprise

We offered Santa something sweet.
He smiled and settled in to eat.
But when he reached for one more treat,
A trail of crumbs fell near his feet!

Santa's cookies have wandered away!
Can you find all 10? Color each cookie as you spot it.

Helping Hands

"Oh dear!" he said. We laughed with glee.
"Don't worry, Santa. Look—you've got me!"
We picked up toys and swept the floor.
Then Santa helped us tidy more.

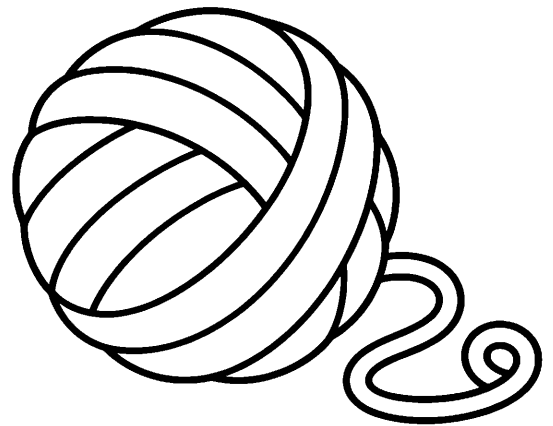

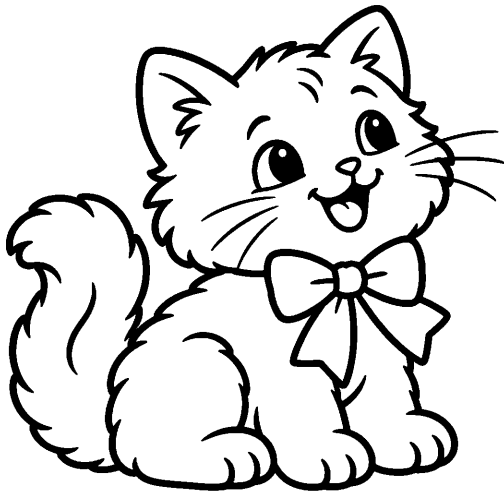

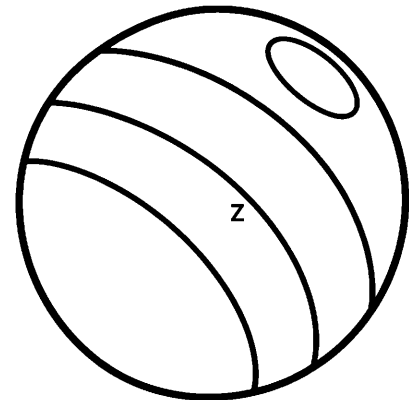

Find three toys to put away.

Draw a toy of your own in the empty basket.

Can you find the hidden Z?

A Furry Little Helper

Our puppy brought his favorite ball
And proudly dropped it in the hall.
"You helped!" said Santa. "Good for you!"
Then puppy brought a slipper, too!

Draw a line from puppy to ball and kitten to yarn.

Color their festive bandana and bow.

Can you find the hidden Z?

A Plan for Morning

"Tomorrow's cleaning day," Mom said.

But first, our guest had miles ahead.

"Goodnight!" said Santa. "Off I go!

My reindeer love to steal the show!"

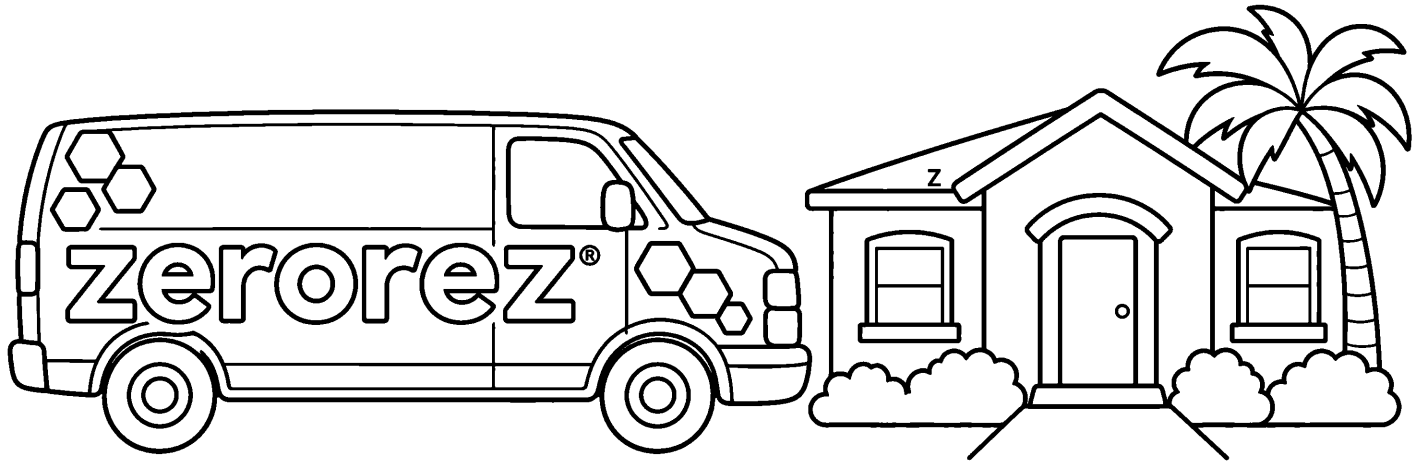

The family had a visit from Zerorez planned for the morning.

Color Santa's goodbye. What would you say to him?

Can you find the hidden Z?

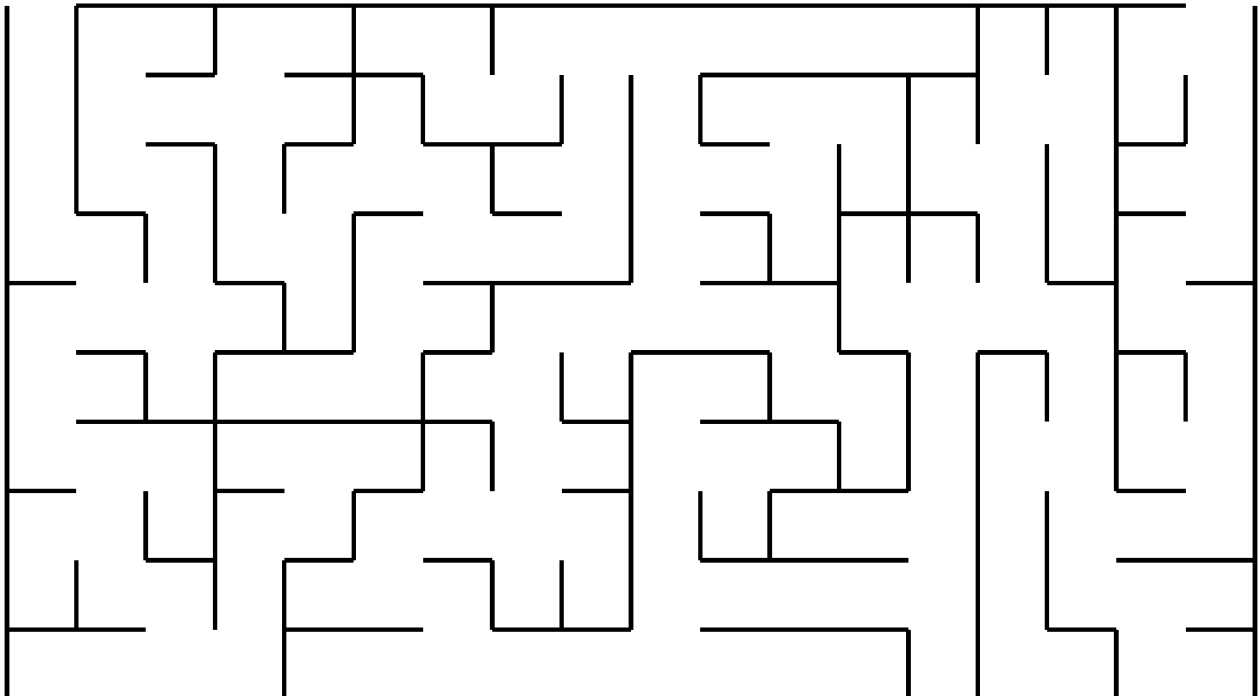

Here Comes Zerorez!

The morning sun peeked into view.
Along the road came white and blue.
The Zerorez team was on the way
To help us get set for our holiday!

We colored through the afternoon.
They cleaned our carpet with such care.
Soon holiday cheer was everywhere.

Color the cleaning-day scene.

What would you draw while the team works?

Your Very Merry Van

We waved goodbye and called, "Thank you!"

As off they drove in white and blue.

Then coats went on—it felt just right

To head outside for lights that night.

Give this van your own holiday design!

Add stars, bows, or snowflakes. Try your favorite blues.

Off to Glittering Lights!

We buckled in and drove along,
And sang our favorite Christmas song.
Then Glittering Lights came into view—
With glowing reds and greens and blue!

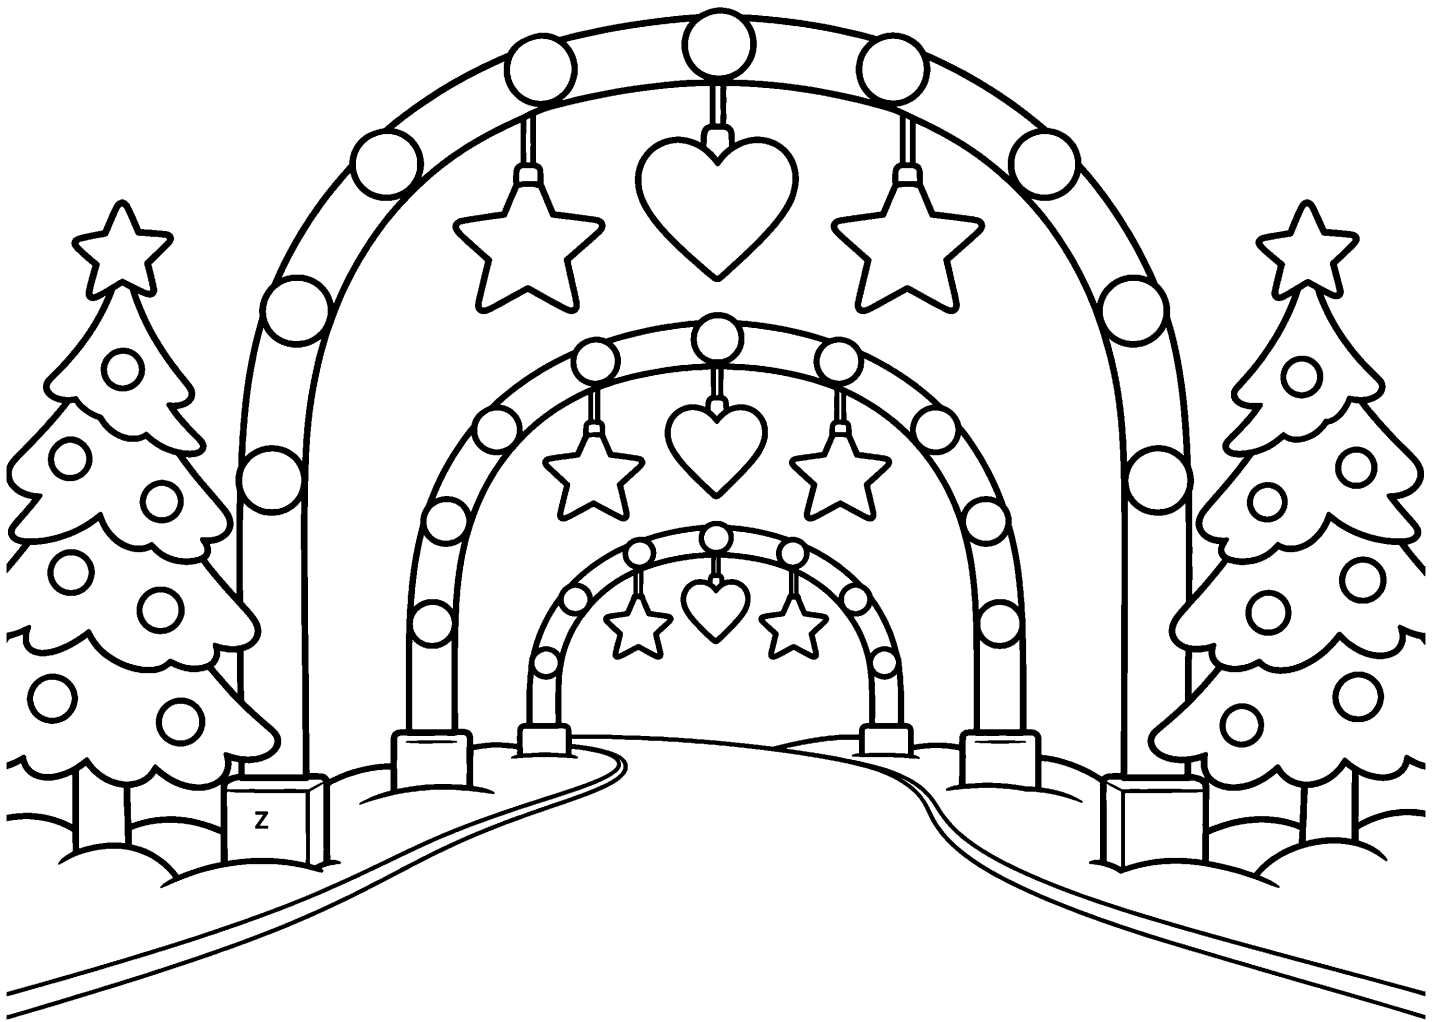

Color a magical night of holiday lights.

Can you spot two candy canes and a snowman?

Can you find the hidden Z?

A Tunnel Full of Wonder

We followed lights that curved and glowed,
Like sparkling ribbons down the road.
Together was our favorite place—
With happy smiles on every face.

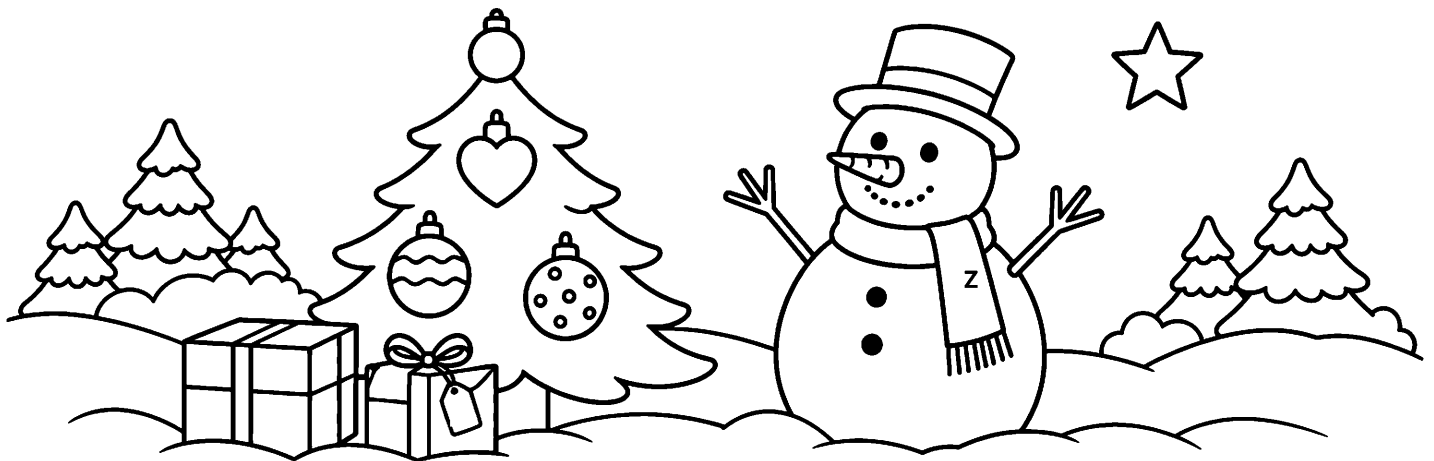

Imagine your own Glittering Lights tunnel.
Color the lights. Add a special design in the open sky.

A Very Merry Double Take

These snowy scenes look almost the same...
but five big things have changed!

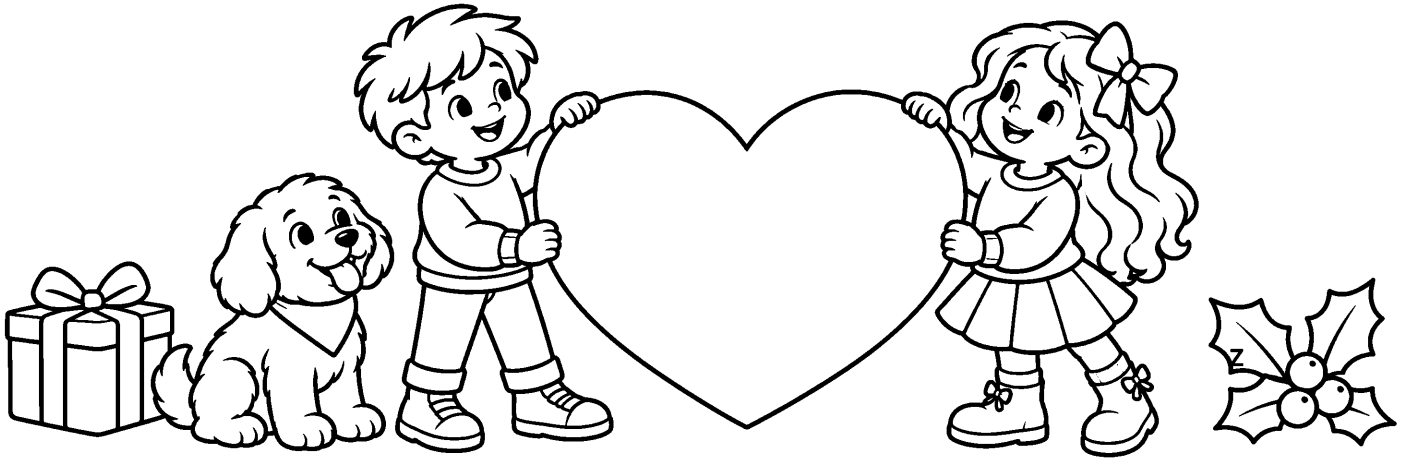

Circle the five changes in the bottom picture.

Then color both scenes any way you like.

Bonus: Find a little Z in each picture.
